The financial condition of the Dt. B? is
given in para 8 of G.O. No. 9048-61/DB 269-11-2
of 28.5.1912. It will be seen therefrom that the opening
balance ^{in favor of the Dt. B?} is being reduced every year by the
expenditure being in excess of the receipts. There is
thus ^{much} necessity for economy in all directions. But
in consideration of the fact that midwives are
very necessary in the heart of the Malnad and that the
amount involved is small (Rs 240/-) the objection
may, perhaps, be waived if the District Board and
the Administrative Dept? should consider it neces-
sary to retain the midwives at Karur permanently.
At 10. Midwives in the Malnad are a
20/11/12 very great necessity. Census Statistics
show large female mortality between 15 to 20
years of first confinement. The Dt Bd should
endeavour to arrange in other districts
to meet this expenditure as also to keep
